

The company CETIN expects its results for the year 2020 will be in line with the long-term trend

17 December 2020

The company CETIN a.s. (“CETIN”) expects its financial results for the year 2020 will be in line with the long-term trend, established by the published results of the previous years, first half and third quarter of 2020.

Following the first indicative information regarding the first 11 months of the year 2020 the company CETIN expects for the year 2020 the revenues and margin approximately at the level of previous year. The revenues from so called mass services and revenue from data services and passive infrastructure were stabilized. The company CETIN continues in strategic investments to the development of new generations of fixed and mobile networks, and this trend to be expected also in next year.

The audited CETIN's financial results of the year 2020 in full are going to be published as a part of CETIN's Annual report for the year 2020 in standard term.
